## **Billing Authorization**

CHEER SPORT SHARKS LTD collects fees per child. The fee is due at the time of registration. Cheer Sport Sharks Ltd has many types of classes and activities. There are different policies for each type of programming. It is your responsibility to ensure you have read and fully understand the cancellation/refund policy that pertains to your class.

In order to reserve a spot for our programming payment is due as outlined on the registration system (In full or in installments). Visa, MasterCard or e-check \* direct withdrawal from bank account) are the accepted payment methods.

All installment payments will be charged on the 1st day of each month.

In the event your credit card or bank account is rejected during an automatic debit transaction for any reason other than an error on the part of Cheer Sport Sharks, your child's enrollment will be paused. The athlete will not be able to participate and could be asked to sit out of practice, until the account is in good standing.

On the 10th of the month, any outstanding accounts with a balance of more than \$100 will incur a \$25 + HST late penalty. By the 15th of the month, any athlete with an outstanding balance (for any programming, apparel, fees, etc) may not be able to participate and could be asked to sit out of practice, until an arrangement is put in place. This may impact their participation in upcoming competitions.

Accounts that have missed tuition with no alternative arrangement will be placed on probation. This will include a phone call with the financial director and a letter signed by the parent stating their intentions to pay with the dates of payments to clear the account. If the arrangement is not followed through with the athlete will be put on probation and not be permitted to practice. Coaches will be informed and this may impact their participation in upcoming competitions.

If automatic debit transactions are returned 3 times, your automatic debit privileges may be suspended and a credit card will be the only form of accepted payment.
