FAQ

What times are the parties?

Parties are booked on either a Saturday or Sunday at our locations. These are typically in the later afternoon to ensure we have both space and coach availability as our cheerleading teams practice on the weekend. During some parts of the year we may have different availability, just ask when you enquire!

What should I bring?

You can bring anything you like! We don't provide a lighter or knife so make sure you bring those! We recommend bringing your own party decorations should you want something specific. Snacks such as chips or lollies are great and don't forget the cake! If you want to play any special party games you can bring these as well for your time in the party room.

Where will my party be?

The first 1 hour and 15 minutes will be in the gym space in an allocated area. The last 45 minutes will be in the banquet hall or party space. This is where you will eat, drink and spend your time opening gifts for your special day.

What will the coaches do?

Coaches will set up the room and run the first 1 hours and 15 minutes of your party in the gym with the attendees. Depending on your attendees age and interest coaches may teach them a basic cheerleading routine or they will have structured tumbling & play time on the equipment. The last 45 minutes of the party will be pizza, cake, presents in the party room. Coaches will still be there to supervise but won't be taking charge of this part of the party. They will also do all the clean up after you!

What do the kids wear?

Attendees will need to wear comfy athletic gear with hair tied up. Although we are happy for them to go bare feet sneakers are also okay to wear on our floor.

Can parents stay, is there enough food for them?

Attendees parents are welcome to stay as each of our locations have a viewing area. We only cater for the children attending the party. Extra pizza may be ordered on request for an extra cost. Parents will NOT be allowed in the gym and must watch from viewing areas.

When will I need to give final numbers?

Numbers will need to be finalised the Monday prior to your booking. You will receive an email week of with final details.

When is full payment due?

Base payment is due on booking of the party. You will be sent instructions after your confirmation email. Any additional charges are due by the Thursday before.

Is there a waiver?

Yes, our waivers are electronic. They will be emailed to you to share with your attendees. No waiver no play.

If I have to cancel my party can I get a refund?

Refunds for parties fall in line with our refund policy. Any Birthday Party cancellation or refund requests need to be submitted via email to the Birthday Party Coordinator. These requests will be assessed on a case by case basis. Any cancellation request within 2 weeks of a party date may not be accommodated.
