Step 5

TEAM PRACTICES BEGIN THE WEEK OF JUNE 5TH. WE WILL HOST TEAM PARENT MEETINGS THE FIRST WEEK OF PRACTICES. THESE MEETINGS ARE VERY HELPFUL AND HIGHLY RECOMMENDED AS THEY WILL PROVIDE ANSWERS ABOUT THE UPCOMING SEASON!

HOW TEAMS ARE MADE:

We strive to form competitive teams at every age group based on an athlete's entire skill set. This includes the tumbling levels, however there may be athletes on any given team that may tumble at a different level than the rest of their teammates. On the new international score sheet, stunting is by far the most important component and our team placements will reflect that more this season than they have in the past. This could mean that athletes may be on a level lower than their tumbling capabilities in order to focus on stunting development. We choose our teams based on the positions that we need to fill (bases, flyers, tumblers, etc) in order to field the strongest teams possible, and ensure each athlete is a contributing member of their team. Our teams have a maximum number of athletes allowed, and positions on each team are very competitive.

AGREEMENTS

KEYS TO A SUCCESSFUL SEASON FOR PARENTS & ATHLETES:

We value hard working, positive athletes and families who understand that the *team* comes before the individual. This means supporting the coaches decisions as they set the team up for success.

- All athletes & parents are expected to be good teammates. Gossip, pettiness, inappropriate social media posts or bullying will not be tolerated. These continued behaviors are grounds for dismissal from our program.
- Athletes & parents must treat their coaches, CITs, guest instructors, volunteers and admin staff with respect. We promise to do the same in return.
- Athletes must communicate with coaches to ensure they stay healthy and are having fun. We want to help teach athletes to be confident with communication directly to coaches.

PARENTS ROLES & RESPONSIBILITIES

- The Parents Role in the gym is to support your athlete, the team and gym in a positive manner. Aggression, negativity, or a lack of respect for our rules are grounds for dismissal from our program.
- Pay all bills in a timely manner. Unfortunately athletes with past-due bills will be asked to sit out of practice.
- The chain of command for parent information is as follows: i. Team Cheer Mom ii. Coach iii. Gym Directors
- We believe in the 24 hour rule at Cheer Sport Sharks & ask that parents also respect this practice in communications. Posting frustrations on social media avenues is not the answer- after 24 hours have passed, if you still feel the same please reach out directly via email to us to discuss.
- Cheer Sport Sharks is required by the Ontario Employment Standard Act to provide our employees the 'Right to Disconnect'. This means when coaches and administrative staff are not available, they will not engage in work-related communications, including emails, telephone calls, video calls, or messaging.

GYM-WIDE RULES

- Parents and athletes cannot sell or create their own Cheer Sport Sharks clothing or merchandise for personal use or for sale. This includes the use of team names and any likeness to logo, affiliation and/or program. All Cheer Sport Sharks clothing will be facilitated through pre-orders, pro-shop and our official online stores.
- Our goal is to teach athletes the responsibility that comes from maintaining commitment to a competitive team. This means that we rely on parents to help us enforce our attendance policy by ensuring that your athlete does not let their team down by continued absences. Removing cheer is not an acceptable form of punishment as it impacts the entire team.
- Our social media policy is as follows: Everyone affiliated with the Sharks must refrain from posting negative thoughts about the team, gym, coaches, athletes or other programs on any social media platform. Athletes represent our program, therefore, inappropriate social media posts are grounds for dismissal from the program.
- Please leave all valuables at home. We are not responsible for lost or missing items.

THE SPORT OF CHEERLEADING

- We will always do what we feel is best for the team – there is no greater team sport than cheerleading! Routines may be modified, roles may change, all in the name of what is best for the team. We ask that you understand and support our decisions. We strive to put the most competitive team and routine on the floor that we can – you've come to Sharks because of our tradition of excellence. Please help us maintain this.
- It may be necessary for movement of an athlete from one team to another over the course of a season. This typically happens in the earlier months. We always try to ensure proper placement but in instances like these we ask that you trust our judgment and are open to the opportunity. In the past, once tried athletes have learned that the correct team eliminates undue pressure & makes for a more enjoyable season.
- Safety is our number one concern. We have highly trained staff that are the best in the industry. We are proud of our safety record and will follow proper progression with all athletes to maintain it.
- Good sportsmanship is a win-win! Please treat all teams, athletes and gyms with respect.
- Remember that you are a representation of our program and the sport of cheerleading please conduct yourself accordingly.
- It's all about the **FUN** that comes with working hard to achieve goals – that's the Cheer Sport Sharks!
